NUMBER 33

A Sad Death.

The earthly pilgrimage of Miss Minnie Loy, who was a popular young woman of Columbia, ended last Saturday forenoon about 10:30 o'clock. Her demise was not unexpected as she had been gradually sinking for several weeks, her malady beyond the reach of skilled physicians—pulmonary trouble. Like all persons who are afflicted with this fatal disease, she hoped and prayed that she might recover. The first symptoms became noticeable about one year ago, and three months ago she went to the home of her brother, in Clark county, Indiana, believing that a change would be beneficial, but she continued to grow weaker, and one week ago, her father, Mr. Anthon Loy, went to Indiana and brought her to Columbia, stopping at the Jeffries Hotel, where she had long made her home, and where she was tenderly cared for by Mrs. Jeffries and other members of the family until the end came.

She was twenty-five years old, and every body in Columbia was her friend. She was modest in her demeanor and had a kind word for all, a devoted member of the Pierce Baptist Church and at all times was ready to do what she could for her Lord and Master.

Her funeral services were held in the Baptist church, this place, Sunday afternoon, conducted by Rev. R. V. Bennett, of the Methodist Church, (the Baptist having no pastor,) assisted by Rev. A. Y. Napier, a returned missionary, and Eld. Z. T. Williams, of the Christian Church. The discourse was very comforting to the friends of the departed, every space in the church building being taken.

At the conclusion of religious services all that was mortal of this good young woman was conveyed to the city cemetery and there deposited in a private lot.

There were many beautiful floral designs.

Prepare to attend the big celebration at the Columbia Fair Grounds on July 4th.

Mrs. Scholl Dead.

Mrs. Mattie Scholl, wife of Meldrom Scholl, died at the home of her brother, Mr. Bud Parson, this place, last Tuesday morning. She was about thirty years old, and the funeral services and burial took place at Ozark, where she had resided during her married life. Besides her husband she leaves a little son. She had many friends about Ozark and her funeral was attended by a large concourse of people.

Died at Glenville.

Mrs. Daisy Banks, who was the wife of William Banks, died at her late home, near Glenville, on the night of the 29th of May. She was forty-five years old, and was a lady very much liked by her neighbors. Many were present at the burying.

A Quiet Wedding.

Last Friday evening, June the second, at eight o'clock Miss Victoria Hughes and Mr. Horace Cundiff were married at the home of Rev. Z. T. Williams.

The wedding was a very quiet affair. There were only a few special friends present.

The room was simply decorated in Dorothy Perkins roses.

Mrs. Rollin Cundiff furnished the music for the occasion. The couple entered the room to the strains of the Bridal chorus from "Lohengrin" and presented themselves for marriage. After the ceremony the bridal party drove to the home of Mr. and Mrs. John D. Lowe, where a buffet luncheon was served.

The bride was simply dressed in a summer dress of organdie and wore a white hat. The groom was conventionally dressed in dark blue.

The bride is the daughter of Mr. E. H. Hughes, Vice President of the First National Bank of Columbia, and is one of Columbia's most popular and accomplished young ladies. She has always been closely connected with the social life of the town and will be greatly missed by her friends in Columbia.

The groom, who is the son of Mr. and Mrs. P. V. Cundiff, who live near Columbia, is one of Adair county's finest young men. He gave his services to his country during the past war. Mr. Cundiff is connected with the U. S. Postal Service and is stationed at Cincinnati, O.

The many friends of both the bride and groom wish for them a long, happy and prosperous life together.

The couple left early Saturday morning for Cincinnati, Ohio, where they will make their home for the present.

July 4th will be a day of pleasure to all who spend it at the Columbia Fair Grounds.

Dr. W. S. Taylor Dead.

The intelligence of the death of the subject of this notice, reached this office a few days ago. It occurred at Marrowbone, Cumberland county, recently. He was a son of Mr. George Taylor and was born and reared in Adair county. He was about fifty-seven years old and for many years he practiced his profession at Glenville. His wife was a Miss Blair. The funeral services were conducted at Marrowbone by Revs. J. L. Murrell and Lee.

The International Tractor.

Last Wednesday, in company with Doc Walker, J. O. Russell and Jno. W. Flowers we went to the farm of Mr. W. H. Flowers to see an International Tractor in action. The field where it operated was old, filled with undergrowth, and had not been plowed for fifteen years. The machine went along smoothly, turning the ground satisfactorily to all present. Mr. C. R. Hutchison is the agent for this machine, and at this time it looks like it will not be many years until tractors will be in general use in Adair county. There are different makes of tractors and all that we have seen are labor saving machines, and farmers who are able should own one.

Pooling The Adair County Crop.

A large number of the tobacco growers of Adair county heard the workings of the pool explained at the Paramount Theatre last Monday. The meeting was called to order with a short address from Mr. G. R. Reed, who is the President of the movement in this county. At the close of his address Mr. Wm. Collins, of Bourbon county, gave an interesting speech showing how the pool benefited the farmer and at the close of his address nearly all the farmers present signed for pooling. Other growers who were not present will sign, and we believe this is the best move they ever made for better prices for their tobacco. A move will now be started to build a house.

More will be said about this move from week to week until every farmer in the county will understand it. The following well-known growers signed, some of them making talks: Braxton Massie, Mrs. Josephine Rowe, H. A. Walker, H. V. Hurt, H. A. Huff, Reed Bros., W. E. Holladay, J. H. Flowers, Jo Murray, G. L. Blair, Guy Nell, T. A. Holladay, Theo O. Powell, Curtis Yarbber, J. W. Rafferty, J. E. Powers, J. M. Turner, M. M. Hood, D. C. Keltner, R. G. Price, C. G. Rogers.

Suit for \$10,000.

While at Greensburg, last week, all the officers of Adair County who were in the Keltner killing, were sued by Mrs. Vanarsdale, the widow of the man who was killed, for ten thousand dollars. It is believed here that the proof of the killing does not warrant a suit. The trouble and expense of going to court is all that we can see to it.

A Lamentable Death.

Tuesday afternoon at 4 o'clock, at the home of her sister, Mrs. Leslie Johnson, Miss Mattie Hurt, a highly respected lady, after a long illness, crossed to the other side. The deceased was a sister, of Chief Justice Rollin Hurt, L. B. Hurt, Young E. Hurt, Mrs. W. B. Rowe and Mrs. Leslie Johnson. One brother lives in Texas.

The deceased had been delicate all her life, but until a few months ago she was able to visit in the neighborhood, and about once a year she came to Columbia for a few weeks stay with relatives and friends. Her company was at all times enjoyed, as she was a very intelligent woman.

When quite a young girl she made a profession of her faith in Christ, united with the Methodist Church, and was a faithful, consecrated Christian until the end.

The funeral and burial took place Wednesday afternoon, a large circle of relatives and friends being present. The funeral discourse was preached by Rev. R. V. Bennett, who paid high tribute to the life and character of this excellent Christian woman. There were many beautiful floral designs.

Removed to Monticello.

The family of Mr. J. Wood Judd with the exception of Miss Mary Wood, who will remain here and attend the summer school, left for Monticello last Thursday morning, to remain indefinitely. Mr. Judd is a contractor and has a great deal of work at Monticello, hence the removal. We regret to lose this excellent family, the kind of people that Columbia needs. We cheerfully commend the entire household to the people of their new home, hoping that the way will be made clear for them to return to Columbia some time in the future.

Goes to Frankfort.

Lisle Baker, Jr., son of W. L. Baker, cashier of the Monticello Banking Company, and grandson of Judge H. C. Baker, graduates from Center College next week. We learn that he has been offered and has accepted a position with the Capitol Trust Co., of Frankfort, Ky., and will enter upon his duties immediately after the college commencement exercises.

His friends here congratulate him on the prompt and auspicious beginning of his business career, which they feel sure will be successful.

The Decoration.

People of Columbia generally visited the cemetery last Tuesday and decorated the graves of departed loved ones with beautiful flowers. Late in the afternoon the grounds had the appearance of a field of roses. Many tender emotions came to the hearts of the living while strewing flowers, as memories of the long past brought to the mind when the departed and the living were together in the old homestead. After a while we will all be together in a land where sorrow does not enter and where happiness reigns supreme.

The heavy rains did considerable damage in the bottoms about Portland, but the farmers have about recovered from it, and say they have the finest wheat crop in the county, and that they are about through planting corn. It is said all the corn of Adair county will be planted this week.

Officers Acquitted.

Last Wednesday Geo. Coffey, Sheriff of this county, S. F. Coffey and F. H. Winfrey, Deputies sheriffs, and Elba Miller, deputy Jailer of Adair, were tried in the Green county Court upon the charge of killing Vanarsdale and wounding Teddy Morrison in the moonshine raid which they made into the Keltner precinct, some weeks ago. The accused were represented by Jones & Garnett, L. C. Winfrey and W. A. Coffey, attorneys of this bar, and Chas. Nogle and Judge Hal Graham, of the Greensburg bar. The State was represented by County Attorney Woodard, Jeff Henry and Boyse Skaggs.

The testimony was concluded Wednesday afternoon and Thursday morning it was argued and submitted. Judge Graham readily discharged the accused, and all connected with the case from Adair county returned to Columbia Thursday afternoon.

There was nothing in the case at any time, as the officers were attempting to carry into effect the law they had sworn to support. It was made very clear on the trial that the moonshiners fired the first shot.

Election of Teachers.

The teachers who hold proper certificates will be employed June 15th and assigned to their respective places about June 20th.

Musical Recital.

Three of Mr. and Mrs. Geo. Lowe's pupils, namely Cecil Sullivan, Mary E. Sinclair, and Samuel Kelsey gave a recital of their progress at the home of their teachers last Friday evening. Their renditions would have done credit to much older persons, and those who were present were delighted. It is remarkable how scientifically Samuel Kelsey plays the violin, and the playing and singing of the two little girls were highly complimented. Mr. and Mrs. Lowe entertained with a few high class selections.

Attend the celebration at the Fair Grounds on July 4th.

Mrs. Lowe Doing Well.

Mrs. John D. Lowe, of this place, went to St. Anthony Hospital, Louisville, last Tuesday for an operation. She was accompanied by her husband and Dr. C. M. Russell. Wednesday morning at 10:15 she went on the operating table, Dr. Wathan being the surgeon. The operation was a success, and a letter to her daughters, from her husband, states that she is getting along nicely. It will probably be three weeks before she will return home.

Killing in Russell.

Monday morning of last week, Elzy Bernard, who was a tenant on the farm of J. O. Prock, near Rowena, Russell county, had some trouble over work and a quarrel ensued which resulted in Prock shooting and killing Bernard. We have failed to learn the particulars, but we have been told by a Russell county citizen that Bernard was shot in the back. Prock went to Jamestown immediately after the killing and was permitted to give bond. Prock is known to quite a number of Columbians, he having been in school here years ago.

To the Community.

The Chautauque opens at Columbia Sunday the 18th and will continue six days. The program for Sunday will be in keeping with the day. The young people are now passing over the community for the sale of season tickets, and I want to urge person who love high class music and entertaining lectures to purchase a season ticket at once. A few people have made it possible for Columbia and Adair county to hear the coming high class artists, by obligating themselves for quite a sum of money, and this money must be raised by the sale of season tickets, or they will have to make good the amount. Paying at the door will not help meet this obligation; and besides, if you pay at the door and attend even half the days, it will cost you much more than were you to buy a season ticket. Do not put off buying tickets. Purchase as the sellers come to you, in order that the committee may know how it is progressing in the sale. As President of the Chautauque, I urge everybody who will attend to purchase tickets now.

JNO. W. FLOWERS.

There will be an all day celebration at the Columbia Fair Grounds on July 4th. Good ball game, trotting races, running races, and mule races. A complete program will appear in the News next week.

A Missionary Lectures Here.

Rev. A. Y. Napier, who is a returned Missionary from China, spoke at the Baptist church, this place, last Sunday forenoon and evening. His forenoon discourse was logical and quite interesting. For the evening services he used slides in showing the customs and dress of the people in China. He spent seventeen years in China and during that time he became perfectly familiar with the language, and spent a great deal of his time in the school-room. It was a very entertaining lecture, the speaker given the closest attention throughout. In this benighted country, he stated, that many of the natives were becoming Christianized, and took a great deal of interest in school work, and some of them had gotten far enough advanced to teach. The lecture was well received by the large audience in attendance.
